MARCH 21 FROM 1-5 PM
GEORGE MASON UNIVERSITY
PRINCE WILLIAM CAMPUS, MANASSAS VA
VERIZON AUDITORIUM

INTELLIGENCE- LAW ENFORCEMENT SIMULATION COMPETITION

This simulation event focuses on Mexico's violence and potential terrorist and insurgency actors in the region. Working in a simulated operational environment, teams will be required to analyze real and hypothetical intelligence with respect to the threat to US national security.

Co-Sponsored by GMU:
Applied Information Technology Dept.
Learning Agents Center
Center for Global Education
School of Policy, Government, & Int'l. Affairs
FACULTY SPONSOR/POC: Dr. Kimberly Urban
